College of Law

MLS IN CYBERSECURITY LAW & POLICY

St. Thomas University College of Law established the Master of Legal Studies (MLS) degree in Cybersecurity Law & Policy to further education, promote research, and inform policy. It is the only program of its kind in the state of Florida. The 100% online program is designed to be completed in one year and is designed to meet the needs of working professionals, as well as traditional students, seeking a flexible opportunity to advance career goals. The innovative program offers a comprehensive approach to cybersecurity law, while being uniquely positioned nationally as the only one with a focus on the legal ramifications of cyber-threats in aerospace field.

The MLS Program in Cybersecurity Law & Policy accepts students in the U.S. and abroad. Qualified students without an undergraduate law degree or Juris Doctor will be able to enroll.
